

School Development Package

Welcome to the 2005/2006 badminton season. The OBA is committed to constantly improving the value that we offer to badminton players in Ontario. In addition to offering professionally run tournament circuits and cost effective insurance packages, we are now offering great deals on equipment and shuttles to players in Ontario's schools.

The OBA has teamed up with **Brown's Sports and Cycle Co.**, a retailer who has specialized in badminton for decades. These deals are designed to help increase badminton participation in schools by making quality equipment more accessible to students.

\$10 from each package sold will be given to the **Ontario Badminton Association** to support organized badminton for all ages and ability levels.
